

Nippon Seibukan Dojo – Germany

last-update Sunday, 31. July 2016

Sho Doitsu Nippon Seibukan

Shosinsha en Shukai 2016

Purpose of the event

„National Seminar under the leadership and responsibility of the Shibuchō (=national representative)“. This seminar has the purpose to share traditional virtues, to deepen the understanding for classical Budo and to establish an opportunity for social and cultural learning.

Unique possibility to bring together the European members with other participating members from abroad. Strengthen the multicultural cooperation between Germany and other countries.

Objectives of the event

The objectives of this Shosinsha en Shukai are to create deeper knowledge of traditional martial arts, next to skills in the chosen field of martial art.

Insurance and other obligations and conditions such as lodging, transportation and so on

Each participant is responsible to cover itself insurance. The NSD, Germany Branch and / or organizers, Sensei, other participants can not be holding accountable for any cases of injury or any depreciations. By participation this is accepted by everyone.

Our Orgateam has arranged the possibility for staying at guesthouse ("Neue Post", Hauptstraße, 86405 Meitingen). If any want to stay in this limited guesthouse, please go in contact with the hotel direct. If you need any help, please go in contact with Orgateam@bushido-vak.de.

Supply List

Every participant has to arrange drinking and eating for his own. Next to the sportshall is a little sports-restaurant.

Information and Communication PR

Complete communication will be done by the official Representative Germany Branch.

Feedback afterwards

The German Representative will send a report to the Director of the foreing Division for International Affairs, Hanshi Martinez-Barrera summarizing messages and comments from all participants of the Sho Doitsu Nippon Seibukan Shosinsha en Shukai 2016.

Publication and Recording

All matters will be managed by the official Representative Germany Branch.

Only selected persons authorized by the Representative of Germany are allowed to take pictures and videos.
